

REMARKS

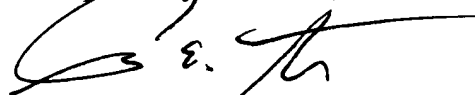

The specification was amended in accordance with amendments made to the specification in the parent case from which the instant application is a divisional. The formal drawings submitted in the parent case were submitted in the instant application. New claim 24 is based upon claim 1 and incorporates some of the limitations of canceled claim 3. Accordingly, Applicants submit that the amendments do not include new matter.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for examination. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,

Gregory E. Stanton
